

**Nassau County Public Health Ordinance**  
**Article XI - Toxic and Hazardous Materials Storage, Handling and Control**  
**Fee Schedule**

Fees Established

A schedule of fees is established to cover the direct costs of the Department in the administration of Article XI of the Nassau County Public Health Ordinance.

Registration Fees

Registration of facilities shall require fees based on the number of tanks and storage areas and shall be for a specified duration of time not to exceed five (5) years.

The fee for each tank or bulk storage area or container storage area shall be \$135.00 per year.

The maximum registration fee for indoor tanks at each facility shall be \$540.00 per year.

Application Fees

An application fee for initial, renewal, change of owner or operator and for approval of plans for new or modified tanks, storage areas or containment areas shall be \$135.00.

Fees for Review of Plans for New and Modified Facilities

A separate fee, in addition to the application fee, shall be required for review of plans by the Department for new and modified facilities.

Tanks

Fees for the review of plans for tanks shall be as follows:

- |                             |            |
|-----------------------------|------------|
| 1. Less than 250 gallons    | \$100.00   |
| 2. 250 gallons or greater   | \$300.00   |
| 3. Maximum fee for facility | \$1,200.00 |

Bulk Storage/Container

Fees for review of plans for container storage are based on a 55 gallon drum or equivalent and shall be as follows:

- |                         |                   |
|-------------------------|-------------------|
| 1. Less than 5 drums    | \$100.00 per area |
| 2. 5 to 19 drums        | \$175.00 per area |
| 3. Twenty or more drums | \$300.00 per area |

### Bulk Storage of Dry Materials

Fees for review of plans for bulk storage of dry materials are based on weight of materials to be stored and shall be as follows:

- |                              |                   |
|------------------------------|-------------------|
| 1. Less than 2,000 lbs.      | \$100.00 per area |
| 2. From 2,000 to 10,000 lbs. | \$175.00 per area |
| 3. Greater than 10,000 lbs.  | \$300.00 per area |

### Plans Invalidated

Plans for new and modified facilities are valid for one (1) year after the date of approval. After one (1) year, new applications, plans and fees are required if work covered in the previously approved plans has not been completed unless a waiver has been applied for and granted by the commissioner prior to the expiration of the original permit.

### Tank Test Verification

Fees for verification of tank tests for tightness are based on number of tanks tested at a facility at one time and shall be as follows:

- |  |          |
|--|----------|
| 1. Fee for each tank                                 | \$125.00 |
| 2. Maximum fee for multiple tanks tested at one time | \$250.00 |

### Abandonment in Place/Removal of a Tank

Fees for recording and/or witnessing an abandonment in place or removal of a tank (including the filing of the affirmation of a nonleaking heating oil tank) shall be as follows:

- |   |          |
|---|----------|
| 1. For each tank 1,100 gallons or less abandoned in place | \$35.00  |
| 2. For each tank 1,100 gallons or less removed            | \$60.00  |
| 3. For each tank greater than 1,100 gallons               | \$150.00 |

### Payment of Fees

Fees for services are to be paid at the time facilities are registered or applications for services are made and shall cover the full cost as provided in this fee schedule. Checks or money orders shall be made out the Nassau County Department of Health. The registration of a facility shall not be valid nor shall any applications for approval be considered complete unless and until required fees are received by the Department.

### Late Fees

Facilities subject to provisions of Article XI are required to register with this Department prior to operation. Any facility which has been in operation for at least one month and which has not filed an application to register with this Department shall be charged a late fee of \$150.00.
